NDIS Plan Management Service

Noah's Inclusion Services offers an NDIS Plan Management Service to help families with children aged 0-18 years manage the financial aspects of their child's NDIS Plan.

We can guide and talk through your child's NDIS Plan, pay your bills and send you monthly statements to help you keep track of spending. We are always on hand to answer questions and to ensure your child's NDIS Plan is managed within NDIS guidelines.

To pay for your supports, you can choose one of the following options:

- Email - forward invoices to finance@noahsark.nsw.edu.au
- Text - take a photo of your invoice/s and text to 0447 303 235
- Drop your invoices into our office at Nowra, Ulladulla, Sanctuary Point or Flinders
- Post invoices to us (this may delay claiming/payment)

As soon as you sign-up we can start claiming on your behalf, with payments processed in line with NDIA Guidelines. We will respond to all enquiries within two business days and all invoices will be auto-approved after two business days.

Noah's offers a reliable and personalised approach to Plan Management. Contact us today for a no-obligation chat to help you explore options available to your family. Once you sign-up to our Plan Management Service you become part of the Noah's Community, giving you access to regular updates and special opportunities for your family.
