

# Koori Kids Together

Noah's Inclusion Services works together with Gudgahjhmiamia Early Learning Centre to support the inclusion of children needing additional support with their development and learning.

Noah's staff, including early childhood teachers, speech pathologists, occupational therapists and behaviour support specialists, work alongside Centre staff. They partner with parents and carers to support them to understand their child's strengths and challenges and to help families make the most of all opportunities at home, preschool/school and in the community.

If you live in the Wreck Bay area or your child attends Gudgahjhmiamia Early Learning Centre or Jervis Bay Preschool, your child is eligible for this free service.

**Speak to Centre staff or phone Mel Harpur on 0447 272 354 or Noah's Inclusion Services on (02) 4423 5022 for more information about the Koori Kids Together Program.**
